STATE OF ILLINOIS
The Religious Freedom Protection and Civil Union Act
Effective June 1, 2011

The Religious Freedom Protection and Civil Union Act (“the Act”) creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms “spouse,” “family,” “immediate family,” “dependent,” “next of kin,” and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms “marriage” or “married,” or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

For more information regarding the Act, refer to 750 ILCS 75/1 *et seq.* Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance’s website at www.insurance.illinois.gov.

Utah:

1. If the **Sending Proof of Loss** provision provides a timeframe in which proof must be submitted before it affects Your claim, this time limitation shall not apply to You.

Vermont:

1. The following requirement applies:

Purpose: Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons.

Definitions, Terms, Conditions and Provisions: The definitions, terms, conditions or any other provisions of the policy, contract, certificate and/or riders and endorsements to which this mandatory endorsement is attached are hereby amended and superseded as follows:

- 1) Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms, include the relationship created by a civil union established according to Vermont law.
- 2) Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "divorce decree", "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.

- 3) Terms that mean or refer to family relationships arising from a marriage, such as “family”, “immediate family”, “dependent”, “children”, “next of kin”, “relative”, “beneficiary”, “survivor” and any other such terms include family relationships created by a civil union established according to Vermont law.
- 4) “Dependent” means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.
- 5) “Child or covered child” means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as “ERISA”, controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer’s enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under this policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

- 1) complete and sign a group insurance enrollment form; and
- 2) deliver it to Your Employer.

If You do not enroll within 31 days after becoming eligible under The Policy, or if You were eligible to enroll under the Prior Policy and did not do so, and later choose to enroll:

- 1) a completed and signed application;
- 2) a medical examination;

- 4) any additional information We may require.

All Evidence of Insurability will be furnished at Your expense. We will then determine if You are insurable under The Policy.

If Your Evidence of Insurability is incomplete or disqualifies You from coverage:

- 1) Your Weekly Benefit will equal the amount for which You were eligible without providing Evidence of Insurability, provided You enrolled within 31 days of the date You were first eligible to enroll; and
- 2) You will not be covered under The Policy if You enrolled more than 31 days after the date You were first eligible to enroll.

Change in Family Status: *What constitutes a Change in Family Status?*

PERIOD OF COVERAGE

Effective Date: *When does my coverage start?*

If You are not required to contribute toward The Policy's cost, Your coverage will start:

- 1) for benefit amounts not requiring Evidence of Insurability, on the date You become eligible; or
- 2) for benefit amounts requiring Evidence of Insurability, on the date such evidence is approved.

If You must contribute toward The Policy's cost, Your coverage will start on the earliest of:

- 1) the date You become eligible, for benefit amounts not requiring Evidence of Insurability, if You enroll or have enrolled by then;

- 2) the date on which You enroll, for benefit amounts not requiring Evidence of Insurability, if You do so within 31 days after the date You are eligible;
- 3) the date Your Evidence of Insurability is approved, for benefit amounts requiring Evidence of Insurability; or
- 4) the first day of the month following the Annual Enrollment Period if You enroll, for benefit amounts not requiring Evidence of Insurability, during an Annual Enrollment Period.

Deferred Effective Date: *When will my effective date for coverage or a change in my coverage be deferred?*

If You are absent from work due to:

- 1) Injury;
- 2) Sickness;
- 3) Mental Illness;
- 4) Substance Abuse; or
- 5) pregnancy;

on the date Your insurance, or increase in coverage, would otherwise have become effective, Your insurance, or increase in coverage will not become effective until You are Actively at Work one full day.

Changes in Coverage: *Can I change my benefit options?*

You may change Your benefit option only:

- 1) during an Annual Enrollment Period; or
- 2) within 31 days of a Change in Family Status.

At such time You may decrease coverage, or increase coverage to a higher option. An increase in coverage that is greater than the next higher option from Your current coverage will be subject to Your submission of an application that meets Our approval.

When will a requested change in benefit option take effect?

If You enroll for a change in benefit option during an Annual Enrollment Period, the change will take effect on the later of:

- 1) the first day of the month following the Annual Enrollment Period; or
- 2) the date We approve Your Evidence of Insurability if You are required to submit Evidence of Insurability.

If You enroll for a change in benefit option within 31 days following a Change in Family Status, the change will take effect on the later of:

- 1) the date You enroll for the change; or
- 2) the date We approve Your Evidence of Insurability if You are required to submit Evidence of Insurability.

Any such increase in coverage is subject to the Deferred Effective Date.

Do coverage amounts change if there is a change in my class or my rate of pay?

Your coverage may increase or decrease on the date there is a change in Your class or Pre-disability Earnings.

However, no increase in coverage will be effective unless on that date You:

- 1) are an Active Employee; and
- 2) are not absent from work due to being Disabled. If You were so absent from work, the effective date of such increase will be deferred until You are Actively at Work for one full day.

No change in Your Pre-disability Earnings will become effective until the date We receive notice of the change.

What happens if the Employer changes The Policy?

Any increase or decrease in coverage because of a change in The Policy will become effective on the date of the change, subject to the Deferred Effective Date provision.

Termination: *When will my coverage end?*

Your coverage will end on the earliest of the following:

- 1) the date The Policy terminates;
- 2) the date The Policy no longer insures Your class;
- 3) the date premium payment is due but not paid;
- 4) the last day of the period for which You make any required premium contribution;
- 5) the date Your Employer terminates Your employment; or
- 6) the date You cease to be a Full-time Active Employee in an eligible class for any reason;

unless continued in accordance with any of the Continuation Provisions.

Continuation Provisions: *Can my coverage be continued beyond the date it would otherwise terminate?*

Coverage can be continued by Your Employer beyond a date shown in the Termination provision, if Your Employer provides a plan of continuation which applies to all employees the same way. Continued coverage:

- 1) is subject to any reductions in The Policy;
- 2) is subject to payment of premium; and
- 3) terminates if:
 - a) The Policy terminates; or
 - b) coverage for Your class terminates.

In any event, Your benefit level, or the amount of earnings upon which Your benefits may be based, will be that in effect on the day before Your coverage was continued. Coverage may be continued in accordance with the above restrictions and as described below:

Leave of Absence: If You are on a documented leave of absence, other than Family and Medical Leave, Your coverage may be continued for 2 months after the leave of absence commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

Layoff: If You are temporarily laid off by the Employer due to lack of work, Your coverage may be continued until the last day of the month following the month in which the layoff commenced. If the layoff becomes permanent, this continuation will cease immediately.

Family and Medical Leave: If You are granted a leave of absence, in writing, according to the Family and Medical Leave Act of 1993, or other applicable state or local law, Your coverage may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by other applicable law, following the date Your leave commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

Coverage while Disabled: *Does my insurance continue while I am Disabled and no longer an Active Employee?*

If You are Disabled and You cease to be an Active Employee, Your insurance will be continued:

- 1) while You remain Disabled; and
- 2) until the end of the period for which You are entitled to receive short term Disability Benefits; provided premiums for Your coverage continued to be paid.

After short term Disability Benefit payments have ceased, Your insurance will be reinstated, provided:

- 1) You return to work for one full day as a Full-time Active Employee in an eligible class;
- 2) The Policy remains in force; and
- 3) the premiums for You were paid during Your Disability, and continue to be paid.

Extension of Benefits for Disability: *Do benefits continue if The Policy terminates?*

If You are entitled to benefits while Disabled and The Policy terminates, benefits:

- 1) will continue as long as You remain Disabled by the same Disability; but
- 2) will not be provided beyond the date We would have ceased to pay benefits had the insurance remained in force.

Termination of The Policy for any reason will have no effect on Our liability under this provision.

BENEFITS

Disability Benefit: *What are my Disability Benefits under The Policy?*

If, while covered under this Benefit, You:

- 1) become Disabled;
- 2) remain Disabled; and
- 3) submit Proof of Loss to Us;

We will pay the Weekly Benefit.

If You are Disabled and return to work in some capacity, the amount of any Weekly Benefit payable for the first while You are working will be reduced by:

- 1) the total amount of all Other Income Benefits; and
- 2) Current Weekly Earnings received from the Employer that exceed 100% of Your Pre-disability Earnings when added to the Weekly Benefit payable.

Loss of License: If You are in an occupation that requires You to maintain a license, Your failure to pass a physical examination required to maintain that license does not alone mean that You are Disabled from Your Occupation.

Partial Week Payment: *How is a benefit calculated for a period of less than a week?*

If a Weekly Benefit is payable for less than a week, We will pay 1/7 of the Weekly Benefit for each day You were Disabled.

Recurrent Disability: *What happens to my benefits if I return to work as an Active Employee and then become Disabled again?*

When Your return to work as an Active Employee is followed by a Disability, and such Disability is:

- 1) due to the same cause; or
- 2) due to a related cause; and
- 3) within 30 consecutive calendar days of the return to work;

the Period of Disability prior to Your return to work and the recurrent Disability will be considered one Period of Disability, provided The Policy remains in force.

If You return to work as an Active Employee for 30 consecutive calendar days or more, any recurrence of a Disability will be treated as a new Disability.

Period of Disability means a continuous length of time during which You are Disabled under The Policy.

Multiple Causes: *How long will benefits be paid if a period of Disability is extended by another cause?*

If a period of Disability is extended by a new cause while Weekly Benefits are payable, Weekly Benefits will continue while You remain Disabled, subject to the following:

- 1) Weekly Benefits will not continue beyond the end of the original Maximum Duration of Benefits; and
- 2) any Exclusions will apply to the new cause of Disability.

Termination of Payment: *When will my benefit payments end?*

Benefit payments will stop on the earliest of:

- 1) the date You are no longer Disabled;
- 2) the date You fail to furnish Proof of Loss;
- 3) the date You are no longer under the Regular Care of a Physician;
- 4) the date You refuse Our request that You submit to an examination by a Physician or other qualified medical professional;
- 5) the date of Your death;
- 6) the date You refuse to receive recommended treatment by Your treating Physician that is generally acknowledged by Physicians to cure, correct or limit the disabling condition;
- 7) the last day benefits are payable according to the Maximum Duration of Benefits;
- 8) the date Your Current Weekly Earnings are equal to or greater than 80% of Your Pre-disability Earnings if You are receiving benefits for being Disabled from Your Occupation for a period exceeding 12 months; or
- 9) the date no further benefits are payable under any provision in The Policy that limits benefit duration.

Disabled and Working Benefits: *How are benefits paid when I am Disabled and Working?*

If, while covered under this benefit, You are Disabled and Working, as defined, Your Weekly Benefit will be reduced by Your Current Weekly Earnings only to the extent that such earnings when added to the Weekly Benefit payable exceed 100% of Your weekly Pre-disability Earnings.

Days which You are Disabled and Working may be used to satisfy the Benefits Commence Period.

Partial Week Payment: *How is a benefit calculated for a period of less than a week?*

If a Weekly Benefit is payable for less than a week, We will pay 1/7 of the Weekly Benefit for each day You were Disabled.

EXCLUSIONS AND LIMITATIONS

Exclusions: *What Disabilities are not covered?*

The Policy does not cover, and We will not pay a benefit for, any Disability:

- 1) unless, after satisfying the Benefit Commencement period, You are under the Regular Care of a Physician;

- 2) that is caused or contributed to by war or act of war, whether declared or not;
- 3) caused by Your commission of or attempt to commit a felony;
- 4) caused or contributed to by Your being engaged in an illegal occupation;
- 5) caused or contributed to by an intentionally self-inflicted Injury;
- 6) for which temporary Worker's Compensation Benefits are paid; or
- 7) sustained as a result of doing any work for pay or profit for another employer.

GENERAL PROVISIONS

Notice of Claim: *When should I notify the Company of a claim?*

Written notice of claim must be given to Us within 20 days after the occurrence or commencement of any loss covered by The Policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the claimant to Us at Lexington, KY, with information sufficient to identify the insured Active Employee, shall be deemed notice to Us.

Claim Forms: *Are special forms required to file a claim?*

We, upon receipt of a notice of claim, will furnish to You such forms as are usually furnished by Us for filing proofs of loss. If such forms are not furnished within 15 days after the giving of such notice You shall be deemed to have complied with the requirements of The Policy as to proof of loss upon submitting, within the time fixed in The Policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the employee, later than one year from the time proof is otherwise required.

Time of Payment of Claim: *When are benefit payments issued?*

Indemnities payable under The Policy for any loss other than loss for which The Policy provides periodic payments will be paid as they accrue immediately upon receipt of due written proof of such loss. Subject to due written proof of loss, all accrued indemnity for loss for which The Policy provides periodic payment will be paid monthly and any balance remaining unpaid upon the termination of the period of liability will be paid immediately upon receipt of due written proof.

Payment of Claims: *To whom will my claim be paid?*

All payments are payable to You. Any payments owed at Your death may be paid to Your estate. If any indemnity of The Policy shall be payable to the estate of the insured employee, or to an insured employee or beneficiary who is a minor or otherwise not competent to give a valid release, We may pay such indemnity up to an amount not exceeding \$1,000 to any relative by blood or connection by marriage of the insured employee or beneficiary who is deemed by Us to be equitably entitled thereto. Any payment made by Us in good faith pursuant to this provision shall fully discharge Us to the extent of such payment.

Physical Examinations and Autopsy: *Will I be examined during the course of my claim?*

We at Our own expense shall have the right and opportunity to examine the person of the insured when and as often as We may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death where it is not forbidden by law.

Claim Denial: *What notification will I receive if my claim is denied?*

If a claim for benefits is wholly or partly denied, You will be furnished with written notification of the decision. This written notification will:

- 1) give the specific reason(s) for the denial;
- 2) make specific reference to The Policy provisions on which the denial is based;
- 3) provide a description of any additional information necessary to perfect a claim and an explanation of why it is necessary; and
- 4) provide an explanation of the review procedure.

Claim Appeal: *What recourse do I have if my claim is denied?*

On any claim, You or Your representative may appeal to Us for a full and fair review. To do so You:

- 1) must request a review upon written application within:
 - a) 180 days of receipt of claim denial if the claim requires Us to make a determination of disability; or
 - b) 60 days of receipt of claim denial if the claim does not require Us to make a determination of disability; and
- 2) may request copies of all documents, records, and other information relevant to Your claim; and
- 3) may submit written comments, documents, records and other information relating to Your claim.

We will respond to You in writing with Our final decision on the claim.

Social Security and Other Income Benefits: *When must I apply for Social Security and Other Income Benefits?*

You must apply for Social Security disability benefits when the length of Your Disability meets the minimum duration required to apply for such benefits. You must apply within 45 days from the date of Our request. You will be required to follow the process established by the Social Security Administration and pursue those benefits You are eligible to receive with reasonable diligence, provided We believe such action can reasonably be expected to result in an award. Social Security Assistance, through a vendor, is available to help You with the application process.

If You are eligible for benefits under The Canadian Pension Plan, The Quebec Pension Plan, Railroad Retirement Act, or other similar government plan You will be required to apply for such benefits if such action can reasonably be expected to result in such an award. You will be required to pursue those benefits You are eligible to receive with reasonable diligence, provided We believe such action can reasonably be expected to result in an award.

If Your Disability was caused by a work injury, You will be required to apply for Workers' Compensation benefits with Your employer if such action can reasonably be expected to result in such an award. You will be required to pursue those benefits with reasonable diligence, provided We believe such action can reasonably be expected to result in an award.

If You are eligible for benefits from California State Disability Insurance or disability insurance from another state, You will be required to apply for California State Disability Insurance or disability insurance from another state if such action can reasonably be expected to result in such an award. You will be required to pursue those benefits with reasonable diligence, provided We believe such action can reasonably be expected to result in an award.

Benefit Estimates: *How does the Company estimate Social Security and Other Income benefits?*

We will use any reasonable means to estimate the amount of Other Income Benefits payable under the Social Security Administration's Disability Income Program, the Canadian Pension Plan, The Quebec Pension Plan or any similar plan or act if We reasonably believe You and Your spouse and children are entitled to receive them but You and Your spouse and children have not applied; or failed to pursue them with reasonable diligence; or You have failed to provide Us with proof that You and Your spouse and children have applied for and reasonably pursued these benefits. We will deduct the estimated amount of this benefit from Your Monthly Benefit payable under this plan even if You and Your spouse and children are not receiving these benefits.

We will use any reasonable means to estimate the amount of temporary disability benefits payable to You under a workers compensation law or any other occupational disease law or similar act; or the amount of benefits payable to You under any statutory benefit law, plan or act if We reasonably believe You are entitled to receive them but You have not applied; or failed to pursue them with reasonable diligence; or failed to provide Us with proof that You have applied for and reasonably pursued these benefits. We will deduct the estimated amount of these benefits from Your Monthly Benefit payable under this plan even if You are not receiving these benefits.

Overpayment: *When does an overpayment occur?*

An overpayment occurs:

- 1) if the total amount We have paid in benefits is more than the amount that was due to You under The Policy; or
- 2) when payment is made by Us that should have been made under another group policy.

This includes, but is not limited to, overpayments resulting from:

- 1) retroactive awards received from sources listed in the Other Income Benefits definition;
- 2) failure to report, or late notification to Us of any Other Income Benefit(s) or earned income;
- 3) misstatement;
- 4) fraud; or
- 5) any error We may make.

Overpayment Recovery: *How does The Company exercise the right to recover overpayments?*

We have the right to recover from You any amount that is an overpayment. You have the obligation to refund to Us any such amount. Our rights and Your obligations in this regard may also be set forth in the reimbursement agreement You will be required to sign when You become eligible for benefits under The Policy.

If benefits are overpaid on any claim, You must reimburse Us within 30 days or contact Us to establish a reasonable recovery plan.

If reimbursement is not made in a timely manner, We have the right to:

- 1) recover such overpayments from:
 - a) You;
 - b) any other organization;
 - c) any other insurance company;
 - d) any other person to or for whom payment was made; and
 - e) Your estate;
- 2) reduce or offset against any future benefits payable to You or Your survivors until full reimbursement is made. Payments may continue when the overpayment has been recovered;
- 3) refer Your unpaid balance to a collection agency; and
- 4) pursue and enforce all legal and equitable rights in court.

Subrogation: *What are The Company's subrogation rights?*

If You:

- 1) suffer a Disability because of the act or omission of a Third Party;
- 2) become entitled to and are paid benefits under The Policy in compensation for lost wages; and
- 3) initiate legal action for the recovery of such benefits from the Third Party;

then We will be subrogated to any rights You may have against the Third Party.

Third Party as used in this provision, means any person or legal entity whose act or omission, in full or in part, causes You to suffer a Disability for which benefits are paid or payable under The Policy.

Reimbursement: *What are The Company's Reimbursement Rights?*

We have the right to request to be reimbursed for any benefit payments made or required to be made under The Policy for a Disability for which You recover payment from a Third Party.

If You recover payment from a Third Party as:

- 1) a legal judgment;
- 2) an arbitration award; or
- 3) a settlement or otherwise;

You must reimburse Us for the lesser of:

- 1) the amount of payment made or required to be made by Us; or
- 2) the amount recovered from the Third Party, attributable to loss of income, less any reasonable legal fees associated with the recovery.

Third Party as used in this provision, means any person or legal entity whose act or omission, in full or in part, causes You to suffer a Disability for which benefits are paid or payable under The Policy.

Legal Actions: *When can legal action be taken against Us?*

No action at law or in equity shall be brought to recover on The Policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of The Policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

Insurance Fraud: *How does The Company deal with fraud?*

Insurance Fraud occurs when You and/or Your Employer knowingly provide Us with false information or file a claim for benefits that contains any false, incomplete or misleading information with the intent to injure, defraud or deceive Us. It is a crime if You and/or Your Employer commit Insurance Fraud. We will use all means available to Us to detect, investigate, deter and prosecute those who commit Insurance Fraud. We will pursue all available legal remedies if You and/or Your Employer perpetrate Insurance Fraud.

The falsity of any statement in the application shall not prevent the right to recovery under The Policy unless such false statement was made with actual intent to deceive or unless it materially affects either the acceptance of the risk or the hazard assumed by Us.

Time Limit on Certain Defenses: *What happens if facts are misstated?*

After this Policy has been in force for a period of two years, no statements of the Employer contained in the application, and no statement relating to insurability made by any Active Employee eligible for coverage under The Policy shall be used to deny a claim or in contesting the validity of the insurance with respect to which such statement was made after the insurance has been in force prior to the contest for a period of two years during the lifetime of the person with respect to whom any such statement was made.

Other Misstatements: *What happens if other facts are misstated?*

If other material facts about You were not stated accurately:

- 1) Your premium may be adjusted; and
- 2) the true facts will be used to determine if, and for what amount, coverage should have been in force.

Eligibility Determination: *How will We determine Your eligibility for benefits?*

We, and not Your Employer or plan administrator, have the responsibility to fairly, thoroughly, objectively and timely investigate, evaluate and determine Your eligibility or Your beneficiaries for benefits for any claim You or Your beneficiaries make on The Policy. We will:

- 1) obtain with Your cooperation and authorization if required by law, only such information that is necessary to evaluate Your claim and decide whether to accept or deny Your claim for benefits. We may obtain this information from Your Notice of Claim, submitted proofs of loss, statements, or other materials provided by You or others on Your behalf; or, at Our expense We may obtain necessary information, or have You physically examined when and as often as We may reasonably require while the claim is pending. In addition, and at Your option and at Your expense, You may provide Us and We will consider any other information, including but not limited to, reports from a Physician or other expert of Your choice. You should provide Us with all information that You want Us to consider regarding Your claim;
- 2) as a part of Our routine operations, We will apply the terms of The Policy for making decisions, including decisions on eligibility, receipt of benefits and claims, or explaining policies, procedures and processes;
- 3) if We approve Your claim, We will review Our decision to approve Your claim for benefits as often as is reasonably necessary to determine Your continued eligibility for benefits;
- 4) if We deny Your claim, We will explain in writing to You or Your beneficiaries the basis for an adverse determination in accordance with The Policy as described in the provision entitled **Claim Denial**.

In the event We deny Your claim for benefits, in whole or in part, You can appeal the decision to Us. If You choose to appeal Our decision, the process You must follow is set forth in The Policy provision entitled **Claim Appeal**. If You do not appeal the decision to Us, then the decision will be Our final decision.

**NOTICE OF PROTECTION PROVIDED BY
CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION**

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association ("the Association"). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers' care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations or the rights or obligations of the Association.

COVERAGE

Persons Covered

Generally, an individual is covered by the Association if the insurer was a member of the Association **and** the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

Amounts of Coverage

The basic coverage protections provided by the Association are as follows.

▪ **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- Life Insurance
80% of death benefits but not to exceed \$300,000
80% of cash surrender or withdrawal values but not to exceed \$100,000
- Annuities and Structured Settlement Annuities
80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for **all** life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

▪ **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association's website www.califega.org.
